EDUCATION

The University of Tennessee, Knoxville, Haslam College of Business — Knoxville, TN
Bachelor of Science in Business Administration — Graduation: May 2028
Major: Marketing | Minor: Data Science
Business Fellows Honors Program | UT Volunteer Scholarship | Cumulative GPA: 4.00/4.00

PROFESSIONAL EXPERIENCE

GE Appliances, a Haier Company — Louisville, KY
Commercial Development Program Intern (Bodewell) — May 2026 – August 2026

- Reengineered recurring Oracle Analytics Cloud reporting workflows, reducing report generation times from ~2 hours to ~2 minutes and saving the commercial team an estimated 110+ staff hours annually
- Engineered VBA macros and automated data pipelines using AI-assisted development tools (Codex, Windsurf, Devin CLI), delivering 15+ cross-functional projects and exceeding internship curriculum targets by 5x
- Spearheaded localized customer feedback analytics by processing 6,000+ Google reviews across 49 states, building geographic matching logic that paired 5-star social proof directly to 63% of national service territories
- Co-led Professional Development for 200+ interns, executing 7 high-engagement career events (averaging 56 attendees) and directing a corporate initiative providing professional headshots to 89 employees

Boldsquare — Knoxville, TN
Marketing and Communications Intern — Jan 2026 – May 2026

- Selected through the Haslam College of Business for an intensive semester-long experience with an Inc. 5000 strategic communications firm, managing client-facing marketing projects alongside industry professionals
- Manage full-cycle strategy engagements for 4 clients across entertainment, medical technology, international nonprofit and other sectors, developing recommendations across social media, brand strategy, and product advertising
- Presented comprehensive strategies directly to all 4 clients through formal in-person and virtual pitches, with every client adopting recommendations into planned or active marketing efforts

University of Tennessee — Knoxville, TN
Student Ambassador — Feb 2025 – Present

- Selected among 634 applicants (6% acceptance rate) to represent the University of Tennessee, leading 30+ two-hour campus tours for prospective students and families
- Specialize in transfer-student tours while adapting university messaging across academic interests and diverse audiences, navigating complex questions and connecting visitors with specialized resources
- Selected to represent the student voice on incoming-student panels of ~500 attendees and university initiatives, providing live guidance to prospective students and feedback to leadership on improving campus programs

Beats by Dre – Extern — New York, NY (Remote)
Consumer Insights & Market Research Analyst — Apr 2025 – May 2025

- Analyzed 5,000 consumer survey responses to uncover Gen Z wireless audio preferences, applying quantitative and qualitative analysis, Pearson correlations, and competitive research to identify key purchase drivers and product pain points
- Presented data-backed product and marketing recommendations directly to Beats by Dre's Head of Consumer Insights, translating findings into opportunities across product features, pricing, competitive positioning, and influencer marketing

LEADERSHIP EXPERIENCE

Business Honors Council — Knoxville, TN
Vice President of Professional Development — Oct 2025 – Present

- Lead an 8-member team in developing and executing 3 professional development programs for Business Fellows, spanning mentorship, networking, and career readiness
- Recruit faculty and campus partners to deliver professional programming connecting high-achieving business students with academic, career, and leadership opportunities

Delta Sigma Pi Business Fraternity — Knoxville, TN
Faculty Relations, VP Awards and Scholarship, VP Pledge Education, Senior Vice President — Oct 2024 – Present

- Direct recruitment strategy and selection across multiple rounds engaging 200+ prospective members, managing the candidate funnel from initial outreach through selection and pledgeship onboarding
- Led and developed a 30-member pledge class through a 7-week professional education program, overseeing fraternity standards, operations, history, and preparation for membership
- Connected 115+ members with $90,000+ in exclusive scholarship opportunities while redesigning chapter systems and partnering with executive leadership to reduce brotherhood expenses by 40%+
